Hi Kirsty, Wayne and The Barn Team,

Many thanks for running a fantastic event for me and my wife.

Everybody in our party remarked what a great venue and how well it all ran.

I would like to thank Wayne for keeping our party happy and under control, we would highly recommend the Barn.

Mr & Mrs Boyd

Dear Kirsty, Wayne and all the team, this is just a little message to all of you to say a huge thank you for making our whole day incredible!!! Kirsty you have been amazing throughout, taking care of every detail and supporting us in making decisions and organising everything that we asked for.

Nothing was too much trouble! The Barn is the perfect venue, it looked and felt romantic and magical on our special day. Once we receive the official photographs, we will send a selection over to you to share on your website. So many of our guests commented on what a wonderful venue it was, the attentive staff team and the outstanding quality of food produced by your chefs. Please pass on our thanks to all of those people behind the scenes, who worked so hard to make everything perfect. Wayne, you were a star and everything ran so smoothly. Our photographers said it was the most efficient wedding they had ever been to. You also took care of Leo and I throughout the day and we loved the special moment, when we had our champagne and canapés before going into the wedding breakfast! A venue is only as good as its team and you were all the best, the waiters, waitresses and bar staff were so much fun! Words can't describe how happy we are with every moment of our wonderful wedding at The Barn but thank you all for everything x

Mr and Mrs Greaves

Dear Kirsty, we can't thank you, Wayne and the team enough. We had an amazing wedding day, we didn't even mind the rain! Our guests thought the Barn was just the perfect setting and many of them have commented on the excellent food and service. One or two of them were thinking of putting a recommendation on TripAdvisor! We certainly will.

We are looking forward to receiving the photos and will send some on to you.

Thank you for a truly magical day.

Lots of love from Mr and Mrs Ray

Dear Kirsty, Wayne and all the team.

We want to say a massive thank you to you all for making our day exactly how we wanted it... relaxed and enjoyable and for guiding us through our reception with such ease and always making sure we were ok. We had a lot of comments on how well it flowed, how laid back the day felt and how helpful all the staff were. Not to mention how stunning The Barn is.

We would definitely recommend The Barn to anyone who is looking for a venue.

Thank you all so much again.

Sadie and Elham.

To Kirsty, Wayne, Mo & the team,

We would like to thank you from the bottom of our hearts. We had THE MOST MAGICAL DAY. You are all such an amazing team who went above and beyond to ensure we had the best wedding day possible. So many of our guests have complimented the staff at the venue since we got married. The venue look absolutely stunning and the day couldn't of gone any better if we tried!!

We look forward to seeing you all soon. Lots of Love

Thank you so much for an amazing day! I have had so many of my guests compliment the venue, the food and the hospitality from all your staff. We would like to say a special massive thank you to Wayne, he kept us up to date throughout the whole day and it could not have run smoother, nothing was too much to ask, he really did add to our day and I've also had a few guests comment on just how lovely he was, wedding days are normally a bit stressful however ours was very stress free and relaxing due to the support from Wayne throughout the day.

Mr and Mrs Ogden

Hello, I would just like to say a massive thank you to all at the barn brasserie!!! Every single member of staff went above and beyond for us on our special day! We had the most incredible time and all our guests have commented on how wonderful you all were and how beautiful the venue and the food were. We really cannot say enough nice things on how amazing you all were both in the run up to the day and on the day itself. And we would also like to say a big thank you to Wayne who really did bend over backwards to make sure everything went perfectly.... We didn't have to worry about a thing. I've attached a few pictures from the day as I remember you asking us if it was OK to use one on your Web page. If you would like any further feedback for your venue or services please feel free to ask us, we will be more than happy to help. Thank you once again.

Mr and Mrs Coombs

Hi Kirsty and Wayne

Thank you so much. I literally had the best day. You were all so lovely. And everyone else seemed to enjoy themselves! Thanks again

Mr and Mrs. Walters

To Kirsty, Wayne and the rest of the team at The Barn,
Just a little note to say thank you for making our wedding day so special. You all worked so hard and everyone had an amazing time. Hope to see you soon when we next visit The Barn.

Mr and Mrs Church

Hi Kirsty, Wayne & Team! I will write a much better review for you when everything has settled but I just want to say the biggest thank you. You made our day perfect from start to finish and for that I can't thank you enough! Kirsty, Tom told me how much you helped with dressing the venue on the day and throughout the whole planning process you have just surpassed all expectations! Your attention to detail is phenomenal and you are the kindest most lovely person I think I've ever met!! Wayne, you looked after us so well. You kept me calm throughout the day and Tom told me you reassured him about the speeches so thank you!! You kept everything running like clockwork and nothing was too much trouble for you. You are fantastic at what you do, and you should definitely MC more often you were brilliant at it!! And finally, the team :) please give the biggest thanks to all of the team that helped on the day. I can't fault a single thing. The food was out of this world tasty, everyone has told us how good it was, and my dad is dying for the recipe of the chicken's sauce! Everyone that helped serve the food was incredible and did it with such class and ease! All in all, we had an amazing day so a final thank you because without you all it couldn't of happened!!

Thank you!!!!

Mr. and Mrs. Paxton

Wedding Testimonies

We recently got married at The Barn on 20th September 2018. We are so delighted that we got married here, as it is a beautiful barn and also was perfect for our intimate wedding. Everything has been amazing from the very first day when we decided that we wanted our wedding to be at the barn. Claire O'Sullivan has been excellent, she's always been ahead of the game and on top of the wedding planning, structure and arrangement. She has always been very attentive, sweet, kind and thoughtful towards all of our needs, questions and wedding requirements. When the big day arrived, Claire, Wayne and the team brilliant, Claire and Wayne especially were so attentive, helpful, well organised and together they made our day run so smoothly, we didn't even look at the clock once. We simply enjoyed every moment of our special day. Thank you all for a wonderful day.

Mr and Mrs Beech

Hi Claire, Wayne and amazing team, just to say a really big thank you to you all for making our day so special on the 6th. Thankyou Claire for helping me through the whole process and Wayne you were fabulous. The help you provided for my dad and even rocking the baby to sleep was not missed and most appreciated. Thank you both of you. What can I say to the chefs? Fabulous. All our guests have commented on the high quality from the kitchen and we loved our desserts so thank you all of you for a tremendous job. The barn looked beautiful and many comments have been made. I shall defiantly be recommending the barn to others. We had a truly magical day and I wouldn't change a thing. Will try and send some photos!! Much love

Mr. and Mrs. Beckett

I wanted to let you know that Sarah and I and all our guests had a great time. Claire and Wayne, you handled everything so well and we really appreciated having you there and all the staff were fantastic too. We will need to thank them all, but we were very happy with all our suppliers as well, so it was a great day all round. Thank you again.

Mr. and Mrs. Beckford

Had the most amazing wedding day here Claire and her team cannot do enough for you to make your day amazing. This doesn't seem enough to say great they all are would recommend in a heartbeat.

Mr. and Mrs. Williams

I am writing my own personal thank you to all of your staff for the work that they put in on the day of my daughter Michelle and Brad's wedding, it was very much appreciated. Please pass on my very special thanks to your team leader Kirsty who was extremely courteous, efficient and enthusiastic. She's simply a delightful young lady. No doubt she'll modestly say that it's all part of her job but from my experience I will finish by saying that someone with that sparkling personality of hers is not easy to find these days, thank you once again!

Chris Allen (Father of the Bride)

Me and my husband had this beautiful venue for our wedding reception. We got married 25th August this year and it couldn't have gone any better. It's hard to put into words how helpful Claire and Wayne were on the day, essentially, we got a wedding planner included with the venue when Claire joined. She was fantastic from the moment we made contact, most venues just grant access and monitor the service. Claire had met and spoke with each vendor prior to the day and was fully aware of their place and schedule for the day. Even to the point of telling our photographer to give us space to enjoy some moments when it all got a bit too much. Everybody has commended the food

Dear Claire, Glenn, Wayne and team at the Barn. I don't know how to begin to tell you how much Sheila and I appreciated the kindness and efficiency you showed us on Friday September 7th, every course of the meal was beautifully presented and dead on time, each and every guest we spoke to afterwards was full of praise for you, so I must thank you sincerely and we look forward to a time when we meet again in the future. Everything from start to finish was perfect! Absolutely no faults at all! Thank you to all the team!

You're amazing!

Mr & Mrs Stepney

Kirsty and the team at the Barn, just a quick email to say thank you to you and the team for making our wedding at the barn so special. It really was an amazing day and we could not be happier with the level of service we received from the day we came to see you to talk about booking, to the last drink served on the night. The service and food was exemplary and we cannot speak highly enough, or be grateful enough for what you guys did for us and how you always strived to go the extra mile.

We are currently on our honeymoon in Mexico and although it now seems so far away we will always cherish the great memories we made at the Barn. We look forward to seeing you soon as we are planning to come in for a nice meal and to say thank you in person. Best wishes,

Mr and Mrs Crook

To Amy and Kirsty, If I don't get a chance to thank you both personally on the day, I wanted to make you both aware just how grateful I am that you have both overseen our wedding. You have both truly been so accommodating and supportive throughout the entire planning stages. Edd and I can't thank you and the team enough and we couldn't have found a more special location to book our wedding. What tops the venue really has been the customer service.

Thanks so much Mel and Edd x

We fell in love with the barn at first sight because of its beauty and history in a picturesque location. Hats off to the kitchen staff because the food was exquisite. We like to eat out a lot and for Edd to say the starter was the best he has ever had is pretty superb in our books. So we then decided to book a viewing and felt so reassured with the wedding coordinators Amy and Kirsty. We then looked at the packages and you guys managed to work with us and our limited budget to come up with a concoction that suited ourselves. Throughout the entire process we have been demanding with requests that you have always accommodated to or alternatively come up with a suitable suggestion. For that, you have not only the patience of a Saint but we will forever be grateful for.

You even managed to help put us at ease when we had last minute drop outs and your organisational skills are second to none. The staff on the day couldn't have worked harder. They were so welcoming with our guests and reassuring throughout the evening. We have to comment on the how brilliant all staff were but the gentleman with longer blonde hair was simply outstanding. I also have to say that the tall dark haired gentleman that served the top table is absolutely adorable.

We have such a soft spot for him as he has such a wonderful character and has a real can do attitude. Thank you all so much for your help in making the day sensational. Please send our thanks to everyone else behind the scenes (e.g. the pastry chef who managed to carefully dismantle our cake to save the flowers)
