I am writing my own personal thank you to all of your staff for the work that they put in on the day of my daughter Michelle and Brad's wedding, it was very much appreciated. Please pass on my very special thanks to your team leader Kirsty who was extremely courteous, efficient and enthusiastic. She's simply a delightful young lady. No doubt she'll modestly say that it's all part of her job but from my experience I will finish by saying that someone with that sparkling personality of hers is not easy to find these days, thank you once again!

The venue, ceremony, food & drink and staff were perfect and we've lost track of the number of our guests' compliments who were blown away by the quality of the whole experience. Mr & Mrs Vale

To Amy and Kirsty, if I don't get a chance to thank you both personally on the day, I wanted to make you both aware just how grateful I am that you have both overseen our wedding. You have both truly been so accommodating and supportive throughout the entire planning stages. Edd and I can't thank you and the team enough and we couldn't have found a more special location to book our wedding. What tops the venue really has been the customer service.

Thanks so much Mel and Edd x

We fell in love with the barn at first sight because of its beauty and history in a picturesque location. Hats off to the kitchen staff because the food was exquisite. We like to eat out a lot and for Edd to say the starter was the best he has ever had is pretty superb in our books. So we then decided to book a viewing and felt so reassured with the wedding coordinators Amy and Kirsty. We then looked at the packages and you guys managed to work with us and our limited budget to come up with a concoction that suited ourselves. Throughout the entire process we have been demanding with requests that you have always accommodated to or alternatively come up with a suitable suggestion. For that, you have not only the patience of a Saint but we will forever be grateful for. You even managed to help put us at ease when we had last minute drop outs and your organisational skills are second to none. The staff on the day couldn't have worked harder. They were so welcoming with our guests and reassuring throughout the evening. We have to comment on the how brilliant all staff were but the gentleman with longer blonde hair was simply outstanding. I also have to say that the tall dark haired gentleman that served the top table is absolutely adorable. We have such a soft spot for him as he has such a wonderful character and has a real can do attitude. Thank you all so much for your help in making the day sensational. Please send our thanks to everyone else behind the scenes (eg the pastry chef who managed to carefully dismantle our cake to save the flowers)

Mr and Mrs Reynolds

To the team at The Barn, We just wanted to thank you all for an amazing wedding day. You were all very attentive and extremely helpful. The customer service was incredible. We will be back for sure in the future and will never forget how you helped make our day so special.
